

Blue Energy wins Honda 2024 Excellence in Appreciation Award 'Sustainability Category'

Blue Energy Co., Ltd. (BEC) has won the Excellence in Appreciation Award 'Sustainability Category' from Honda Motor Co., Ltd (HONDA). This award was given in recognition of the company's outstanding efforts in each area of ESG.

This is the third consecutive year that Blue Energy has received this award, following awards in the cost category in 2022 and the double in the cost and delivery category in 2023.

■Comment by Masahisa Mizutani, President of Blue Energy Co., Ltd.

We believe that this award is the result of the wisdom and ingenuity of BEC employees. All of us at BEC are delighted to receive this award, and we will strive to achieve even higher goals and become "carbon neutral" ahead of schedule.

We would like to express our deepest gratitude to all those involved for their generous support and efforts.
